

STUDENT DRESS CODE 2011-2012

At Green Hedges, students' clothing should reflect the importance of school and should not distract from the learning environment. All students are expected to arrive at school in clothing that is neat, clean, and appropriate as this helps foster pride in one's appearance and contributes to an orderly and attractive school environment. To assist parents and children in selecting appropriate attire, the Green Hedges dress code establishes division-specific standards for dress. These standards honor the important work the children engage in on a daily basis. The faculty and administration reserve the right to determine appropriateness of dress, and dress code violations may prevent children from participating in school activities and events.

MONTESSORI DRESS CODE

The general guideline for our youngest students is that they wear clothing that is neat, comfortable, and easily managed. The Montessori students are not required to wear collared shirts; however, military attire, including camouflage, or athletic attire may not be worn. Children may wear sandals, but flip-flops are not allowed. Sneakers are required for PE class.

LOWER & MIDDLE SCHOOL UNIFORM

The official Green Hedges School uniform for all students, G1 - G8, is required attire for all school days unless otherwise noted. To assure uniformity in color and style all pieces of the uniform, except for socks, belt, and shoes, must be obtained through Lands' End School Uniform (1-800-469-2222 or www.landsend.com/school). Specific ordering details and grade requirements/restrictions are on the Green Hedges School Land's End Uniform Store Front. The store front includes GHS approved options only, all clearly labeled as to which grade levels the item pertains. All current uniform items are grandfathered in to the new options.
