The link to access your account is: <https://greenhedges.schooladminonline.com/portal>.

If you experience difficulty accessing your account please email [Bridget Parke](#). We look forward to continuing our partnership with your family in the coming school year!

STEM Week February 22-26

The week will kick-off with a special Opening on Monday. **The Science Fair will take place on Tuesday from 8:15-11 a.m.**, and the Grade 8 Science Show will be featured on Friday at Closing.

Schedule of events:

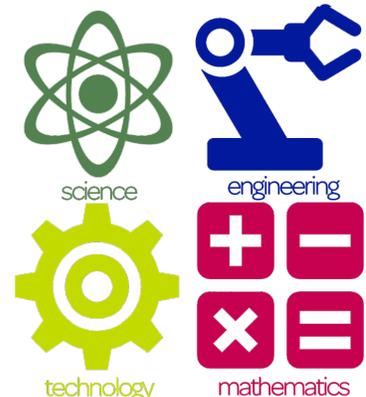

Monday, Special Opening 8:15 a.m.

Tuesday, Science Fair, 3-D Printer Demonstration and G6 Robotics Drag Races, 8:15 - 11:00 a.m.

Wednesday, Montessori Activities with Middle School, throughout the day

Thursday, Lower School Activities with Middle School, throughout the day

Friday, Closing --G7 Robotics Extravaganza and G8 Closing Ceremony, 2:45 p.m.

One of the highlights of the week is the STEM Science Fair on Tuesday, February 23 from 8:15-11 a.m. This year our fourth graders have been invited to participate in the Science Fair portion of the week and, like their peers in grades 5-8, they have been working hard on their research and experiments for this event and are eager to display their work. **Parents, students and teachers are invited to come and see the displays and check out the various demonstrations.** Demonstrating the Green Hedges emphasis on community, collaboration and mentoring, our older students will be working with the younger students on some very cool science challenges that involve gumdrop structures, paper helicopters, popcorn, flubber and paper boats. Finally, Mr. Fisher's students will add to the fun with drag racing robots!

It is sure to be an exciting week!

GHS in Havana! Buy Best of Live and Gala Auction Tickets!

The buzz and excitement for the gala auction is mounting! Be sure to [RSVP](#) to reserve your spot.

Best of Live tickets are almost sold out! ONLY 5 TICKETS REMAIN! Contact [Urmila Oberoi](#) to get your ticket today!

The next committee meeting will be on February 24 at 8:15 a.m. in the Kilmer House Conference Room and all are welcome!

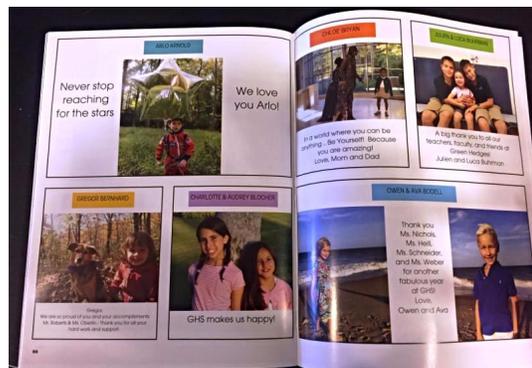

Yearbook Greetings--DUE FEBRUARY 29

Each year, parents can help to support the Yearbook by purchasing a Yearbook greeting for their child(ren). Yearbook Greetings are now on sale and you can download a [form here](#).

Simply drop your completed form and payment with Ms. Green and send the picture you want included to sarahsapone@greenhedges.org.

Yearbook Greetings can be purchased in ¼ page, ½ page and whole page sizes.

The deadline to order a greeting and submit your photograph file is Monday, February 29.

Questions? Contact Urmila Oberoi at uoberoi@greenhedges.org or 703-938-8323 x229.

Mini Maker Faire

Reston, VA * Sunday, March 13, 2015 * 11am-5pm

Maker Faire is the Greatest Show (and Tell) on Earth—a family-friendly showcase of invention, creativity and resourcefulness, and a celebration of the Maker movement. It's a place where people show what they are making, and share what they are learning. Makers range from tech enthusiasts to crafters to homesteaders to scientists to garage tinkerers of all ages and backgrounds. This year the faire will feature a lot of hands-on exhibits where attendees get to learn and make things that they can take home like learning to solder and forming clay on a pottery wheel. And don't forget the Chaos Machine!

Green Hedges' own IT Guy (Carl Hutzler) is helping organize this year's event to bring

together an amazing collection of Northern Virginia tech enthusiasts, engineers, woodworkers, artists, and craftspeople.

The [NoVa Mini Maker Faire](#) will be held Sunday, March 13, 2015 at South Lakes High School and Hughes Middle School in Reston. [Discounted Tickets](#) are available online!

We inspire young people of talent and promise to develop clear values, a desire for wisdom, and an appreciation for all endeavors which broaden the mind and enlighten the spirit.
