Grade 4 Wax Museum

This morning Grade 4 created a Wax Museum in the Multi-purpose room. Each student chose a significant historical figure to portray and came to life at the touch of a button. Students researched, took notes, edited timelines, wrote and memorized scripts, found costumes, created a Keynote presentation, and created work-cited references. As all of the Grades moved through the exhibit, they talked to the figures about their lives.

Some of the people your child met today:

- Jackie Robinson
- Sally Ride
- Jane Goodall
- Queen Elizabeth I
- Neil Armstrong
- Ulysses Grant
- Annie Oakley
- Mary I of England
- Claude Monet
- Maria Tallchief
- Ada Lovelace
- Sybil Ludington
- Harriet Tubman

Middle School Belize Trip

The Middle School trip to Belize provided an opportunity for students to experience international education outside

the classroom setting. Students embraced the culture, learned the rich diversity of plants and animals and appreciated nature in a fun and meaningful way.

A few of the trip highlights: students and faculty visited the Mayan ruins of Xunantunich, tried snuba for the first time, visited the Belize Zoo, zip lined, learned jungle survival tips and visited Santa Elena Primary Catholic School. Many of our students said that

the school visit was their favorite part of their Belize adventure.

Tornado Drill on April 1

As part of our ongoing effort to insure the safety of our students, Green Hedges conducts a Tornado Drill each Spring. This drill will take place **tomorrow, April 1, at 11 a.m.** Teachers have reviewed tornado safety procedures with students and what is expected of them during the drill tomorrow.

Middle School Play: The Wizard of Oz!

The last song has been sung. The last dance has been danced. The mics are off and put away. And, the stage lights have been dimmed.

Thursday, March 10 saw the culmination of the Middle School's hard work on this year's musical, *The Wizard of Oz*. If you had the misfortune of missing it, it was, in a word, amazing!!

The Wizard of Oz is not an easy show, but the extra after-school and Saturday rehearsals paid off in a big way. Hard work and dedication were never in short supply with this group! They

brought their best vocal talent, their dance skills, their imaginations, and their hearts to the show and it certainly paid off!
