

November 26, 2018

Dear Green Hedges Community,

Over the past few months the Head of School Search Committee in conjunction with our search consultants Carney Sandoe & Associates have been actively pursuing our next Head of School. Much progress has been made and we are proud to announce the selection of four finalist candidates for the position.

Over the next few weeks these candidates will be on the Green Hedges campus for interviews as well as position evaluations. All four of our candidates are well regarded and in established positions. This is an opportunity for the candidates and the Green Hedges community to show leadership and set forth our future direction.

Meet the Finalists

We will host each finalist and family members at the Green Hedges campus during the schedule listed below. Please note this schedule is subject to change pending confirmation on travel arrangements from the finalists.

Finalist #1: Nov. 29 - 30

Finalist #2: Dec. 2 - 3

Finalist #3: Dec. 6 - 7

Finalist #4: Dec. 9 - 10

During their visit, on day two, the finalists will meet with faculty, staff, parents, students, alumni and trustees. At these meetings, the finalists will present their background and educational philosophy and time will be allocated for a Q&A. The entire community is welcome and encouraged to attend a dinner reception hosted at the school starting at 6:30 p.m. If you are interested in attending the dinner reception, for any of these candidate sessions, please contact Wanda Green at wgreen@greenhedges.org. We will need to know the headcount for catering purposes.

For confidentiality purposes, a biography summary will be distributed to all those attending 48 hours prior to the candidates' visit. This event is for the purpose of information exchange, therefore we appreciate adult participation only.

For those who participate in these activities, you will be asked to complete an online survey to share your thoughts on each candidate.

Thank You,

Craig Gavin
Chair, Head of School Search Committee
